ABOUT US

Bluggle Conferences has served as a cornerstone for fostering collaboration within the medical research community. Our commitment to convening the brightest minds in medicine has resulted in over 1,000 successful research partnerships around the globe. We are passionate about cultivating an environment where collaboration sparks groundbreaking discoveries and transforms the future of healthcare.

• Bluggle Conferences believes that collaboration is the key to unlocking the true potential of medical research. By connecting medical professionals, researchers, and institutions worldwide, we aim to fuel innovation through the exchange of ideas, accelerate discovery by streamlining research efforts, and break down geographical barriers to leverage the strengths of diverse research communities, ultimately leading to faster breakthroughs and advancements in patient care.

INVITATION

Advanced Surgery 2024

Greetings from Advanced Surgery 2024

We are thrilled to extend our heartfelt invitation to all surgeons, medical professionals, and sponsors worldwide for the **"International Congress on Advanced Medical & Surgical Innovation"**.

Theme: Shaping the Future of Surgery: Revolutionizing Surgical Care.

The congress, to be held on **August 29, 2024**, will take place as a webinar. We encourage prospective researchers and clinicians to submit their original contributions and case reports to this pivotal forum. Your work will be prominently featured among peers and leaders in the field, offering invaluable opportunities for interaction and collaboration.

Whether you are an experienced surgeon or a medical professional exploring innovative practices, this conference promises enriching exchanges with esteemed colleagues and experts. Join us in fostering a global dialogue that advances surgical care and shapes the future of healthcare.

This esteemed gathering provides a vibrant platform for the dissemination of pioneering research, innovative concepts, and transformative breakthroughs in the realm of surgical care. Researchers, practitioners, and industry leaders from around the world will assemble to explore emerging paradigms and exemplary practices that are redefining the landscape of surgical innovation.

At Advanced Surgery 2024, participants can look forward to a rich program featuring insightful lectures, interactive workshops, and engaging networking opportunities. This conference is designed to foster collaboration, inspire new discoveries, and enhance clinical outcomes through interdisciplinary dialogue and knowledge sharing.

CONFERENCE HIGHLIGHTS

- General Surgery
- Minimally Invasive Surgery
- Robotic Surgery
- Laparoscopic Surgery
- Orthopedic Surgery
- Neurosurgery
- Cardiothoracic Surgery
- Plastic and Reconstructive Surgery
- Vascular Surgery
- Pediatric Surgery

- Surgical Oncology
- Transplant Surgery
- Colorectal Surgery
- Endocrine Surgery
- Bariatric Surgery
- Trauma Surgery
- Emergency Surgery
- Surgical Critical Care
- Anesthesia in Surgery
- Surgical Instruments & Equipment

- Tissue Engineering
- AI in Surgery
- Robotics
- Microsurgery
- Ethical Issues
- Women in Surgery
- Remote Surgery
- Surgical Imaging Techniques
- Surgical Robotics and Navigation Systems

OUR SPEAKERS

Prof Dr. Ravi Kumar Chittoria

Associate Dean (Academic) Head of IT & Telemedicine Senior Professor of Plastic Surgery JIPMER, Puducherry, India.

Dr. Kunal Joon

NIIMS(Noida International Institute of Medical Sciences)

Upper Gastrointestinal Robotic Surgery Fellowship, General Surgery Department, "CMN 20 de Noviembre" ISSSTE, Mexico City, México

Dr. Gudi Dileep

Narayana Hospital, Shimoga, Karnataka, India.

Dr. Jasmina Begic

President and Founder

Association of Wound Management, Bosnia and Herzegovina

MARKET ANALYSIS

The surgical innovations market is experiencing robust growth, driven by technological advancements, increasing healthcare demands, and rising investment in research and development. According to recent estimates, the global market for surgical robots alone was valued at approximately USD 6.3 billion in 2022 and is expected to grow at a CAGR of over 20% through 2030. The broader market for advanced medical technologies is also expanding rapidly, with significant contributions from innovations across various specialties.

TARGET AUDIENCE

- Medical Professionals
- Researchers and Academics
- Medical Students and Residents
- Hospital Administrators and Healthcare Leaders
- Industry Professionals
- Government and Regulatory Bodies
- Patient Advocacy Groups
- International Delegate
- Educational Institutions

WHO SHOULD ATTEND

- Surgeons
- Students Researchers
- Industry Professionals
- Physicians
- Healthcare Associations and Societies
- Pharmaceutical Industries
- Healthcare Faculty
- Business Entrepreneurs
- Medical Colleges and Universities
- Health insurance providers
- Researchers
- General audience

WHY TO ATTEND

Discover, Learn, and Advance Your Practice

Advanced Surgery 2024, the premier event for surgical techniques and innovations. You can gain an unparalleled experience designed to elevate your skills, expand your knowledge, and foster collaboration with leading professionals from around the globe.

Earn Valuable CME Credits

Enhance your expertise and meet your Continuing Medical Education (CME) requirements with our comprehensive educational program. Attendees will earn CME credits by participating in a wide range of sessions, workshops, and presentations led by industry leaders.

Publish in Supporting Journals

Gain the opportunity to showcase your research and insights in our esteemed supporting journals. As an attendee, you can contribute to and benefit from the latest advancements and findings in the field of surgery through publication in high-impact journals associated with the event.

Collaborate with International Professionals

Connect with a diverse network of international experts, innovators, and peers. Advanced Surgery 2024 offers a unique platform for collaboration and exchange of ideas, enabling you to build valuable professional relationships and explore global perspectives on surgical practices.

Hands-On Workshops and Live Demonstrations

Experience hands-on workshops and live demonstrations of the latest surgical techniques and technologies. Our interactive sessions provide practical, real-world training to help you stay at the forefront of surgical innovation.

Research and Innovations

Be among the first to learn about groundbreaking research and emerging technologies in the field of surgery. Explore the latest advancements and understand how they can be integrated into your practice to improve patient outcomes.

Networking Opportunities

Engage with thought leaders, researchers, and practitioners from across the globe. Our event offers numerous networking opportunities, including receptions, panel discussions, and breakout sessions designed to foster professional growth and collaboration.

Professional Development

Advance your career with insights from renowned experts and industry pioneers. Our sessions are tailored to provide actionable knowledge and skills that you can apply immediately in your practice.

Exclusive Access

Enjoy exclusive access to special events, including keynote speeches from leading experts, interactive Q&A sessions, and more. Maximize your experience with tailored content designed to address the most pressing issues and opportunities in surgery today.

Become a Sponsor for Our Advanced Surgery 2024

- Be prominently featured at a leading conference dedicated to advancing medical and surgical innovation, reaching professionals at the forefront of healthcare.
- Enhance your organization's visibility and brand awareness among a targeted audience of medical professionals, researchers, and healthcare stakeholders.
- Connect with a wide network of stakeholders from international healthcare institutions, governmental bodies, and private sectors, opening doors to new opportunities and collaborations.
- Increase your marketing reach with prominent visibility on the conference website, promotional materials, and during conference sessions, ensuring your message resonates with attendees.

SILVER

- Recognition as a Silver Sponsor on all webinar promotional materials.
- Logo placement on the webinar website and virtual event platform.
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages).
- Opportunity to provide promotional materials
- 50% discount on both Extra Delegate Registrations and Booth

GOLD

- Premium recognition as a Gold Sponsor on all webinar promotional materials.
- Prominent logo placement on the webinar website and virtual event platform.
- Special acknowledgment during keynote sessions.
- Exclusive opportunity to host a dedicated session or workshop.
- Complimentary registration for designated company representatives.
- Two Complimentary Speaker Slots

HOW TO JOIN US

SPEAKER

STEP:1

Submit Your Abstract

Begin by submitting your abstract on our Abstract Submission Page. Share your innovative ideas and groundbreaking research with us.

STEP:2

Register as a Speaker

Once you receive your acceptance letter, proceed to our Registration Page to complete your speaker registration.

STEP:3

After registration, you will receive:

- Invitation Letters
- Payment Receipt
- Presentation Template

DELEGATE

STEP:1

Register Directly

Simply visit our Registration Page to secure your spot at the event.

Three days before the webinar, we will send you the finalized program.

You will be able to attend the event via the link provided.

**We are thrilled about the prospect of having you
join us for Advanced Surgery 2024!**

**If you're interested in participating in this exciting
event, we'd love to hear from you.**

**For more details and to explore how you can get
involved,**
